

GP Advert

Salaried GP (6-8 Sessions per Week)

Starting April 2027

We are looking for an enthusiastic and committed Salaried GP to join our growing and supportive team. This is an exciting opportunity to become part of a forward-thinking partnership that combines the benefits of innovation, collaborative working, and continuity of care while maintaining a strong focus on clinician wellbeing and work-life balance.

The successful candidate will be based primarily at Putnoe Medical Centre and will be joining a practice that works closely with Linden Road Surgery through a soft merger arrangement, enabling us to share expertise, resources, and best practice whilst retaining our individual practice identities.

Our practices combine the benefits of traditional continuity of care with innovative approaches to healthcare delivery, including digital consultation platforms, integrated clinical teams, and participation in local Primary Care Network initiatives. We are committed to professional development, education, and fostering a positive working culture where clinicians can thrive.

Located in Bedford, with excellent transport links to London, Cambridge, and Milton Keynes, this is an excellent opportunity for a GP seeking a rewarding clinical role within a progressive and patient-focused organisation.

We offer:

- 6-8 sessions per week.
- Supportive and experienced clinical and management teams.
- Opportunities to develop specialist interests.
- Teaching and training opportunities.
- Modern digital consultation systems and innovative ways of working.
- Participation in a collaborative and progressive primary care network.
- Quality improvement projects

Financial Package

- Very competitive salary, dependent on experience
- NHS Pension Scheme
- Indemnity cover

Leave

- 6 weeks annual leave
- 1 week study leave plus £500 study leave allowance per annum (pro-rata)

About Putnoe Medical Centre & Linden Road Surgery

Putnoe Medical Centre and Linden Road Surgery are two well-established GP practices serving the Bedford community and working closely within the local primary care network. Together, we provide high-quality, patient-centred healthcare to a diverse population across Bedford and the surrounding areas. Both practices are committed to delivering accessible, innovative, and compassionate care while supporting the development and wellbeing of their clinical teams.

Putnoe Medical Centre, located on Queens Drive, Bedford, is a large teaching and training practice that offers a comprehensive range of primary care services. The practice is recognised for its use of modern digital access systems, multidisciplinary working, and its nurse-led Walk-In Centre, which provides urgent care services seven days a week, 365 days a year. The practice is also an Armed Forces Veteran Friendly accredited surgery and actively participates in quality improvement and service development initiatives.

Linden Road Surgery, situated in central Bedford, provides comprehensive general practice services with a strong focus on continuity of care and patient engagement. The surgery offers a full range of NHS primary care services, utilises modern digital consultation platforms, and works collaboratively with Putnoe Medical Centre and the wider East Bedford Primary Care Network to enhance patient access and outcomes.
